Hitler was a Freemason

(Hitler in classic Masonic handshake -thumb on knuckle- with Marshall Petain)

"Hitler's anti-Masonic policy was very selective.The Nazis only persecuted fringe lodges associated with the Communists. Mainstream German Freemasonry, which was allied with American and British masonry, was exempted. This is because Hitler himself secretly was aligned with them. Indeed he was their agent."

Normally we associate Freemasonry with the "Jews," Communism and the Left. But Freemasonry also has a conservative Zionist branch which establishes Conservative,

Nationalist and Fascist (Nazi, Zionist) leaders as a form of false opposition.

These leaders destroy genuine conservative, nationalist and Christian forces, as Hitler did. Often, like Hitler, they make a show of being anti Mason. (Trump is an exception.

He is constantly hand-signalling his satanist Masonic loyalty.) Fascism is just as Masonic as Communism, hence the similarities. Politics is a charade. We are bystanders. Both Left and Right are part of this classic Masonic dialectic.

The bottom line: You could deport every Jew to Israel and nothing would change as long as Freemason goyim are in charge.

The only answer is to end the central banking cartel's monopoly over the medium of exchange i.e. currency and credit. The Masonic

Jewish central bankers are the power behind Freemasonry.

(Hitler & Himmler in Masonic handshake)

(Updated from March 20, 2017)

by DR

(henrymakow.com)

In *Mein Kampf*, Hitler said Freemasonry had "succumbed" to the Jews and was an "excellent instrument" to entice the upper classes into their agenda.

After the Nazis rose to power, Hitler outlawed Freemasonry and shut down many lodges. Many brethren were arrested and sent to the concentration camps. The stolen items from Lodges were used to create anti-Masonic exhibitions across Germany, designed to create fear and hostility towards the fraternity.

Freemasons were also executed, and their property stolen in countries invaded and occupied by the Nazi's (Norway, Denmark, Holland, Belgium, France, Poland, Hungary, Greece etc). Historians tell us that at least 80,000 masons were murdered across Europe.

*(Left, Hitler making **the Triad Claw hand sign**.)*

However, in reality, Hitler's anti-Masonic policy was very selective.The Nazis only persecuted fringe lodges associated with the Communists. Mainstream German Freemasonry, which was allied with American and British masonry, was exempted. This is because Hitler himself secretly was aligned with them. Indeed he was their agent.

A 1997 edition of the Freemasonic journal *Philalthes* featured an article titled *'German Freemasonry and Its Attitudes Toward The Nazi Regime'*, that reveals the demographics of the Fraternity in 1930s Germany.

'Several Masonic spiritual families existed side by side in Germany, [and] were treated differently by the Nazis.'

'About two-thirds of the brethren belonged to the three oldest, always Christian-oriented and at that time strongly nationalistic Grand Lodges founded in the 18th century which were called 'Old Prussian' because they were founded and had their seats in Berlin. They never initiated 'non-Christians', that is, Jews.'

This faction was Pro-Nazi. It contained the captains of industry, commerce and finance, royalty and leading citizens who backed Hitler. Many of these men were high-ranking members of the Nazi Party.

These lodges were not persecuted, but they did have to make a few minor adjustments consistent with anti-Masonic policy. Their Grand Master's sent formal written oaths of allegiance to Hitler and they removed Hebraic wording from their rituals.

They united and called themselves 'The Frederick the Great Association'. The Prussian King Frederick the Great (1712-1786) was a nationalist symbol in Nazi propaganda. However, he was also the founder and patron of 'regular' Freemasonry in Germany!

JEWISH FREEMASONRY

The Nazis liquidated the fringe lodges that allowed Jews to be initiated.

'During the 19th century, five more German Grand Lodges were founded and a further one in 1924. They were called 'humanitarian' and initiated men of any religious denomination.'

They espoused liberal and internationalist politics. They were allied with the Communists: Hitler shut them down.

The Prussian alliance refused to recognize these lodges.

'In 1922, the Old Prussian Grand Lodges decided to withdraw from the German Grand Lodges' Alliance founded in 1872, explaining: 'There is a border which strongly differentiates humanitarian from Old Prussian national Freemasonry. We, the three Old Prussian Grand Lodges refuse to take part in the general humanitarian fraternization movement between people in the world.'

(Putin, Kissinger exchange Masonic handshake.)

Essentially, the large and powerful lodges in Germany united to eliminate their much smaller neighbors. So, rather than being an attack on the Fraternity as a whole, Hitler's anti-Masonic policy was really contrived Masonic in-fighting!

World War Two should also be seen in this light.

FREEMASONRY BRIDGED ALLIES & NAZIS

The Prussian Lodges were the only German Lodges recognized by British and American Freemasonry.

They share a common history. Prussian King Frederick the Great played an important role in the creation of the Scottish Rite of Freemasonry. Official Masonic history records:

*(Trump constantly makes Eye of Horus and Inverted Pyramid signs. **Admits he is a Freemason)***

"The Scottish Rite had its beginning in France, when in 1754, the Chevalier de Bonneville established in Paris, a chapter of twenty-five so-called High Degrees which, including the three symbolic Degrees, these High Degrees were called the Rite of Perfection.

In 1758 these Degrees were taken to Berlin and placed under a body called the Council of Emperors of the East and West, and in 1762 Frederick the Great of Prussia became the head of the Rite and promulgated what is known as the Constitution of 1762. In 1786 a reorganization took place in which eight Degrees were added to the twenty-five, and the name changed to the Ancient and Accepted Scottish Rite of Freemasonry."

The Prussian Lodges were what tied the Western powers to Nazi Germany. This is why Freemasons like Henry Ford aided Hitler.

The lodges had particularly strong ties with the Prussian Royal family in Britain. It is well known that the British Royals were Nazi sympathizers, for instance, all four of Prince Philip's sisters married high-ranking Nazis.

However, some Royals were privy to the agenda for WW2 and some weren't. The Illuminati planned for Germany to lose the war, so the genuine Nazi collaborators had to be purged in case they sabotaged the script.

One of the most infamous murders of WW2 was of **Prince George, Duke of Kent.**

The Duke was a virulent Nazi supporter. In 1939, he was elected Grand Master of the United Grand Lodge of England.

In 1941, Prince George and the Duke of Hamilton conducted a secret meeting with Rudolf Hess in Scotland in an attempt to negotiate a peace treaty between the rival powers. The British government arrested Hess and put him in prison for the rest of his life.

The repercussions for Prince George were even more severe. Six months after this meeting, his plane was shot down.

Sir Anthony Blunt claims that the Prince was murdered on the orders of Winston Churchill.

Freemasonry was behind all of the major players in WW2

Freemasonry was behind the 'right-wing' Fascist Nazis. The Prussian Lodges in Germany were integral to building up the Nazi party. The Swastika is a symbol used in high Masonic Degrees today; apparently it is the ancient "Furthore" Rune Script for the letter "G", the most important and universal symbol in Freemasonry.

(Fascism is just as Masonic as Communism, hence their similarities.)

Freemasonry was also behind the 'left-wing' Soviets. Karl Marx, Lenin and Trotsky were all Masons. The flag of Communist East Germany featured the Masonic compass.

Freemasonry was also behind the 'Capitalists.' **Both Churchill and FDR** were Masons.

Politics and history are a charade. **The real war is between Satanists and humanity.** Freemasonry organizes our elections and wars so nations remain divided and are destroyed. (Thus **British Masons betrayed British agents to the Nazis.**) We are indeed mind prisoners of a satanic cult, mice in their laboratory.
